Diversity Questionnaire:

The Admissions Committee attempts to select from among several hundred academically qualified students to select the best possible candidates to serve society as veterinarians. Since a heterogeneous society is served best by people who reflect its make-up, our selection process now includes a "disadvantaged" category to increase opportunity for those traditionally under-represented in the veterinary profession.

All the candidates have the opportunity to submit additional information on this questionnaire, which will identify students from disadvantaged backgrounds. Only a candidate who believes that one or more of the following factors have affected his /her academic performance should complete the questionnaire:

1. Cultural-social conditions
2. Economic hardships
3. Educational limitations
4. Personal problems
5. Other (specify)

The Admissions Committee will evaluate this information and verification of any information supplied may be requested.
